New Faerie Solitaire Harvest Trailer : New trailer for FSH just uploaded! 49 days until release! We're trying to reach our wishlist goal before release so please wishlist the game and share its store page with others to help us out!. Faerie Solitaire Cards

Repaint : First repaint of the cards is done (I've been wanting to do this for over a year+): Note: The sizes of the art on the top are the full sizes, but they will be scaled down a bit to the bottom sizes so that they fit better on the cards. This art is not final. If you see anything which bugs you please let me know so I can fix it. I see a bunch of stuff which I want to improve on, but overall I'm pleased with the improvements. New full size is 750x1070 vs the old full size of 75x107. These cards are 75x107. The new full sized cards will make it possible to display the cards in game at larger sizes without losing detail. Also, I made sure to paint them at a large enough size to allow me to get some real decks of cards printed! :D As soon as I get the cards perfect I'll make it possible to buy real decks of FS cards for a limited of time.. Subsoap Beta Testing : Want to test our future games? Then join the SubsoapBeta group! When we need more people to test we'll post announcements on this group..
